

Cable Cleaner RG 005

Field of use:

RG Cable Cleaner is a fiber optic cable designed to remove dirt, dust and grease without damaging the glass fibers. At the same time the cable is de-ionised.

RG Cable Cleaner evaporates without residue on the glass fiber surface.

Application:

Apply the RG Cable Cleaner with a cloth. Then clean the cable with a dry cloth of detergent RG.

RG Cable Cleaner may replace other products currently used for the same purpose (such as isopropyl alcohol and ethyl alcohol, see Flammable Hazard Warnings), with the benefit of handling flammable materials (see data sheet).
